NARRATIVE SUMMARY

Smoking is prohibited (100% smoke free) in restaurants. Protection is moderate in municipal worksites, with designated smoking areas allowed if separately ventilated. No protection is provided in private worksites, bars in restaurants, or bars not in restaurants. Penalties and fines up to \$1,000 exist for violations by businesses and smokers. No enforcer is named. By improving protections in restaurants and municipal worksites, this ordinance is stronger than the one it replaces.
